- Personal items, gifts and memorabilia like medals, commemorative stamps, speeches of PMs and anecdotal representations of ideologies will be on display at the museum. The families of the former Prime Ministers were contacted for information about them.
- The Sangrahalaya will also include the Nehru Museum. Officials have said it has been upgraded with a technologically advanced display to showcase the life and contributions of the country's first PM, Jawaharlal Nehru. Several gifts received by him from all over the world are on display for the first time.
- The Sangrahalaya will use holograms, virtual reality, augmented reality, multi-touch, multimedia, interactive kiosks, computerised kinetic sculptures, smartphone applications, interactive screens, experiential installations etc, to make the exhibition content interactive.

National Panchayati Raj Day 2022

National Panchayati Raj Day is a national holiday in India that honours the **Panchayati Raj system**. Every year on **April 24th**, it is commemorated. The **73rd Constitutional Amendment Act**, which was passed in **1992**, is also commemorated on this day. The **Panchayati Raj system**, which is one of the country's oldest governing organisations, governs about **6 lakh communities in India**.

The day was initially observed in **April 2010** to commemorate the decentralisation of power, which is considered one of India's most significant milestones. As **Panchayati Raj Diwas 2022** approaches, we bring you additional information about the event's history, significance, and topic.

PANCHAYATI RAJ DAY: IMPORTANCE

The day is significant because, in 1957, a committee was formed under the head of **Balwantrai Mehta** with the goal of bringing about reforms in the central electricity system. The committee suggested a decentralised **Panchayati Raj** hierarchy, with **Gram Panchayats** at the village level, **Panchayat Samiti** at the block level, and Zila Parishad at the district level, according to the study.

PANCHAYATI RAJ DAY: THEME

Every year, the Prime Minister meets with members from **Gram Panchayats** and reviews their progress reports. In addition, a variety of village-level festivities, seminars, and other events are held. This year, however, it will be held without a theme. The award ceremony, which will honour the outstanding work of panchayats across the country for their participation under the Panchayat Empowerment Accountability Incentive Scheme, will be the centrepiece of the event this year. On **National Panchayati Raj Day**, the Central government honours around 170 Panchayati Raj institutions.

BACKGROUND

Despite the fact that **Panchayati Raj** Institutions have existed for a long time, it has been observed that they have not been able to achieve the status and dignity of viable and responsive people's bodies due to a variety of factors including the lack of regular elections, prolonged super sessions, insufficient representation of weaker sections such as Scheduled Castes, Scheduled Tribes, and women, insufficient devolution of powers, and a lack of financial resources.

The **Constitution (73rd Amendment) Act of 1992**, which took effect on **April 24, 1993**, gave Panchayati Raj institutions constitutional standing. As a result, this date symbolises a watershed point in the history of decentralisation of governmental power to the people. The **73rd Amendment's** influence on rural India is palpable, as it has irreparably altered power dynamics. As a result, the Indian government decided, in conjunction with the states, to commemorate April 24th as **National Panchayati Raj Day**. The **Ministry of Panchayati Raj** is leading the commemoration.
